

CARDIOMERSION
INNOVATE | INTEGRATE | EDUCATE

**MEMORANDUM OF UNDERSTANDING
(MoU)**

Between

**Government Degree College Kandaghat, Distt. Solan
Himachal Pradesh**

And

**Cardiomersion
(A Global Group Promoting an Integrated Approach to
Comprehensive Cardiac Care)**

This Memorandum of Understanding ("MoU") is made on the 24.2.2025 (the "effective date") by and between:

1. Government Degree College Kandaghat, an institution committed to academic excellence, holistic education, and student well-being, hereinafter referred to as "GDC Kandaghat."
2. Cardiomersion, a global organization dedicated to promoting an integrated approach to comprehensive cardiac care through research, education, and awareness, hereinafter referred to as "Cardiomersion."

Objective

This MoU aims to establish a collaborative framework between GDC Kandaghat and Cardiomersion to promote awareness, education, and research on healthy living among students, faculty, and the broader community. The partnership will facilitate knowledge sharing, skill development, and health awareness initiatives to foster a heart-healthy lifestyle.

Clause 1: Scope of Collaboration:

Both parties agree to collaborate in the following areas:

- 1.1. Awareness Programs – Organizing seminars, workshops, and expert lectures on coping stress and emotions, cardiac health, preventive cardiology, and lifestyle modifications.
- 1.2. Student Engagement – Encouraging student participation in internships, and community outreach programs focused on stress management and cardiovascular well-being and other lifestyle diseases.
- 1.3. Faculty Development – Conducting training programs for faculty members to integrate cardiac health education into academic and extracurricular activities.
- 1.4. Screening and Health Camps – Facilitating periodic heart health screenings, counseling, and wellness camps for students, staff, and the local community.
- 1.5. Research and Innovation – Encouraging collaborative research on cardiac care, lifestyle diseases, and preventive health strategies.
- 1.6. Digital and Printed Resources – Developing educational materials, digital resources, and newsletters to disseminate knowledge on heart health.

Clause 2: Roles and Responsibilities

2.1 GDC Kandaghat shall:

Provide necessary infrastructure and support for organizing events and programs. Encourage student and faculty participation in collaborative initiatives. Assist in disseminating awareness through academic platforms.

2.2 Cardiomersion shall:

Provide expertise, resource persons, and technical support for programs mentioned in the scope of this MOU. Facilitate knowledge-sharing through research collaboration and expert sessions. Organize training and awareness campaigns to promote heart health.

Clause 3: Duration and Termination

3.1 This MoU shall be effective from the date of signing and shall remain valid for a period of two years, subject to renewal by mutual consent.

3.2 Either party may terminate this MoU with a written notice of 30 days if the objectives are not being met or due to unforeseen circumstances.

Clause 4: General Provisions

4.1 This MoU is a non-binding agreement and does not create any legal obligations or financial commitments.

4.2 Any modifications to this MoU shall be made in writing and signed by both parties.

Clause 5: Signatures

In witness whereof, the undersigned have executed this MoU on behalf of their respective institutions on the date mentioned above.
